

HLL Flying Squirrels Nights Fundraiser

Note to Managers

HLL is participating in an important fundraiser with the Richmond Flying Squirrels. Details of the fundraiser can be found in the attached flyers for you to give parents. We recommend that you assign a team parent who will help you coordinate this fundraiser.

If you have 12 or less players, your team is receiving a total of 120 vouchers (60 vouchers for each game). You should give each player on your team a total of ten vouchers (five for each game) along with the flyer. *If a team has less than 12 players, the manager may give each player extra vouchers or keep the vouchers and turn them in at the end. If your team has more than 12 players, extra vouchers have been included.*

Please note that the vouchers are like cash. They will be exchanged at the Flying Squirrels game for tickets.

The fundraiser is not mandatory, and anyone who does not sell all of his or her tickets can simply turn them back in, but the players must return either the money for the vouchers or the vouchers. Parents/children/teams are responsible for lost vouchers. If you know that you are not going to sell them, please return unused ones quickly to your VP so that we can give those out to other players who are selling more.

On or before May 21, 2011, your team will return one envelope that contains all vouchers, cash & checks to your division Vice President. You need to coordinate returning these directly with your V.P. In the team's return envelope, there needs to be *at least* \$840 worth of cash, checks and/or returned vouchers and/or enough money vouchers to account for all the vouchers that your team received.

Please contact me if you need additional vouchers. Also, I will notify you if someone on your team receives additional vouchers to sell.

You can contact me if you have any questions. Thank you for helping with this fundraiser and for all you do for the league.
